The committee on amusements for the employees excursion received word today that the Peledeton ball boys would also be there to contest honors with La Grande on that occasion.

Prof Patton, the tramp-trick bicycle rider, who rode down the ladder from the Sommer House will be one of the features of the sports of the afternoon of the excursion given by the O R N employees on the 21st.

There were quite a number of our citizens who attended the Old Folk reunion in Baker City today who could not attend as representatives, being unfortunate in not meeting the age requirement.

Sister Martha, sister of charity, arrived this morning from Vancouver, Washington, to spend a few days with her sister Miss Mattie Murphy and sister in law Mrs. T. N. Murphy, before proceeding to Nome where she has been called in her labors.

The ladies of the Methodist church desire to thank the general public for the liberal patronage extended on the occasion of their lawn social given last evening at the residence of Mr. and Mrs. A. U. Huntington. The receipts of the evening were about \$21. The evening was an ideal one and the large lawn was filled until a late hour. The vocal and instrumental music rendered by the Misses Young was enjoyed very much by all.

The Evening Observer in coming out in enlarged form at this date is really as much of a surprise to the proprietors as it is to the public, from the fact that this change along with other improvements was not in contemplation until September 1. However a mistake in ordering the regular size of paper to be continued was made and there was no other alternative and we did not know it until yesterday afternoon. The change will make us late in delivery this afternoon and owing to an absence of three of our printers who are enjoying their annual outing, the enlarged form will work a hardship upon us all for a few days. We will only say at this time that the enlargement while a few days premature is only a portion of the improvements that will be made commencing about September 1. The Observer proposes to fill this field creditably and when inaugurated we know the public will appreciate the same, as they have in the past.

Ed Barton who was exempted at Camp Wright on Beaver creek and was compelled to return on account of illness is now recovering nicely.

The daring act of riding a bicycle down a ladder will be executed by Prof Patton on the 21 at the Meacham excursion.

The Rainbow store opens their new quarters tomorrow morning. See their ad in this issue.

Half a Carload of New Wall Paper.

We have just received half a car load of the newest and latest wall paper. Half a carload means 20,000 rolls. This is more paper than any one firm ever thought of bringing into this county in a single season.

This paper is all for sale and must be sold this season. We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern Idaho, with the first class paper hangers already in our employ, gives us the best working force in the inland Empire.
