Claim The Record

SENATOR HOAR HAS A FAVORABLE NIGHT

Worcester, Mass Aug. 19.—Senator Hoar passed a comfortable night and apparently is no weaker this morning.

The physicians still feel that their patient is to weak too recover but say that his condition is more favorable to day.

Joshua Simpkins

"Joshua Simpkins" on the 23 will be the attraction at Opera house. It is said to be a well written pastoral play with an interesting plot, the story being a happy blending of sunshine and shadow. The situations are said to be strikingly realistic with an ever flow of fun and amusement. There are seven comedy parts in addition to that of Uncle Josh, which character is a whole show in itself. A sensational novelty is introduced in the third act in the shape of a "realistic saw mill scene" in which a monster circular saw is used, and which is said to actually saw through real timber. A fine orchestra is carried by the company, also a fine band of music, which will make a burlesque parade about noon.

Special Excursion to the World's Fair.

The Denver and Rio Grande, in connection with the Missouri Pacific, will run a series of excursions conducted excursions to the World's fair during June. These excursions will run through to St. Louis without change of cars, in king short stops at principal points enroute. The first of these excursions will leave Portland June 7, and the second June 15. The rate from La Grande will be \$10 to St. Louis and return. Excursions going via the Denver & Rio Grande have the privilege of returning by a different route. This is the most pleasant way, as well as the most delightful route to cross the continent. The stops arranged give an opportunity of visiting in and about Kansas City. If you wish to accompany one of these excursions write at once to W. C. McBridge, 344 Third street, Portland, for sleeping car reservations.

J. E. Ross and family of Walla Walla, from the city visiting with their son Carl Ross, one of the proprietors of the Herald. Mr. Ross may make Baker City his future home. He is very favorably impressed with the city and its surroundings.—Herald
