Local Option

Portland, Aug. 22 -Local optionists are becoming active, in anticipation of the November election. A petition for a vote on whether the county shall be without intoxicants for consumption by everybody "having the price" until a year from next June has been filed with county clerk. The petition contains about 550 names.

The vote will be for the whole county. If the county votes for no liquor each precinct gets no liquor. If the county votes for the sale of liquor any precinct that votes otherwise will have to do without it. The proponents of prohibition say that they expect many precincts to vote against the sale of liquor, but hardly expect the county to favor prohibition as a unit.
