AN OPEN LETTER

AN OPEN LETTER

To the public:—

We wish to call the attention of those not already advised that we have established a wood working plant in La Grande equal to any in the country. We believed the times and conditions demanded such an enterprise and we have spent thousands of dollars in equipment and improvements.

We are not only prepared to fill your orders for mill work but we can furnish all kinds of lumber on short notice.

If you buy in quantity so we can furnish in car lots to be delivered direct we can give you prompt shipment and at prices as low as the lowest considering the quality of the stock and the promptness of delivery.

The price varies as to the amount you buy and the cost of handling.

Before placing your order outside submit your proposition to us and see

Before placing your order outside submit your proposition to us and sec if we can handle your business to please you.

if we can handle your business to please you.

We are a La Grande institution but we do not claim anything on that account only to have an equal show with our competitor.

After establishing an expensive local enterprise we want the business to keep our 20 odd men at work.

We are not begging for favors but local enterprises should be built up to employ our people at home instead of sending all the money away for staff manufactured in other places.

The money sent away does not come back to us and it builds up other communities at our expense.

Yours for business,

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S K'DNEY CURE should be taken

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisla Center, N. Y., writes:

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have slapsed, and I am avidently cured to stay cured, and beartily recommend Four kidney Cure to any one suffering from kidney or bladder trouble."
