OS-TE-OP-A-THY IS NOT MASSAGE

It gets to be a broader explanation that Osteopathy is not massage and yet we have to make it over and over, for many people hold to such an opinion. Osteopathy is neither a "scientific form of massage," nor any other kind. It is a complete school of medical practice, although not using drugs as remedial agents, and it might employ massage as an adjunct just as any other school does when massage happens to be required. But do not confuse this broad science of natural medicine with the limited art of the massager for they have very different basis to cause confusion between them, except that both are performed with the hands. But, then, the hands are used to do most everything, so that it is not sufficient apology for saying that "Osteopathy is only massage."

The funeral of J. A. McWhirter took place this afternoon under the auspices of La Grande Lodge No. 1610 O. F. There was a long line of carriages that followed the remains to the I. O. O. F. cemetery and to pay their respects to one who in their eyes had honored and respected them for years.

John Olsen, sheriff of Bear Lake county, Idaho is in the city and rumor says his mission here is to capture if possible a young lady whom he had his detective eye on for these many months and if successful will make her a prisoner for life and will place her in a mansion that has been especially prepared for her incarceration.

ACUTE RHEUMATISM

Deep tearing or wrenching pains, occasioned by getting wet through; worse when at rest, or on that moving the limbs and in cold or damp weather, is cured quickly by Ballard's Snow Liniment. Oscar Oleson, Gibson City Illinois, writes, Feb 16 1902: "A year ago I was troubled with a pain in my back. It soon got so bad I could not bend over. One bottle of Ballard's Snow Liniment cured me." 25c, 50c, \$1.00. Sold by Newlin Drug Co.

MAKES A CLEAN SWEEP

There's nothing like doing a thing thoroughly. Of all the salves you ever heard of, Bock's Arnica Salve is the best. It sweeps away and cures Burns, Scors, Bruises, Cuts, Boils, Ulcers, Skin Eruptions and Piles. It's only 25c and guaranteed to give satisfaction. By La Grande Drug Co. and Newlin Drug Co., Druggist.

HARD WALL PLASTER

Only costs about 5c per yard more than common plaster, and worth many times over.

ADVANTAGES

No danger of freezing as it can be used in zero weather. Being flexible instead of brittle—as all sand mortars are—it will dent like wood when struck or jammed, instead of breaking. Doors, windows, pipe holes, etc are easily cut through it. It is a non conductor of electricity and thus prevents short circuiting. It adheres equally well to brick, stone or common lath. It contains no acids nor chemicals to corrods. It will not burn nor disintegrate by fire being a perfect protection for wood frame work. It will under no condition pit or blister.

Parties having plastering to do should consult me regarding this class of work. Estimates cheerfully given.
