

Millinery Opening

SATURDAY, SEPT. 17

The attention of the ladies of this city and county is called to the fact that I will hold my Annual Fall Millinery Opening Saturday, Sept. 17, and you are all invited to attend. You know that in the past I have shown the very latest styles and most beautiful creations in up-to-date millinery and this season I am able to not only keep up with my past record, but surpass it in many ways. The styles this season are more beautiful and the prices are much lower. I cannot explain here all the new and beautiful designs, but respectfully invite you to call next Saturday and inspect them for yourselves. You are judge.

Haines, Sept. 14.—Freight train which had just passed Haines yesterday afternoon was the cause of a disastrous fire. The weather has been dry for many weeks and sparks from the engine started a fire to the wheat field of Thomas Bros two miles this side of Haines. Ninety acres of standing grain was destroyed by the flames and seven stacks of wheat ready to thresh, were also burned. A header machine in the field was saved from destruction by prompt action of neighbors who pulled it out with their horses. The wheat went 40 bushels to the acre and the gross of the standing wheat in the stacks is not known.

AN OPEN LETTER

To the public:

We wish to call the attention of those not already advised that we have established a wood working plant in La Grande equal to any in the country. We believed the times and conditions demanded such an enterprise and we have spent thousands of dollars in equipment and improvements.

We are not only prepared to fill our orders for mill work but we can furnish all kinds of lumber on short notice.

If you buy in quantity so we can furnish in car lots to be delivered direct we can give you prompt shipment and at prices as low as the lowest considering the quality of the stock and the promptness of delivery.

The price varies as to the amount you buy and the cost of handling. Before placing your order outside submit your proposition to us and see if we can handle your business to please you.

We are a La Grande institution but we do not claim anything on that account only to have an equal show with our competitor.

After establishing an expensive local enterprise we want the business to keep our 20 odd men at work.

We are not begging for favors but local enterprise should be built up to employ our people at home instead of sending all the money away for stuff manufactured in other places.

The money sent away does not come back to us and it builds up other communities at our expense.

Yours for business, Stoddard Lumber Co.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
