Conductor and Mrs. J. D. Martin leave in the morning for a sixty days vacation during which time they will visit the St. Louis fair. They will go via San Francisco and enjoy an ocean voyage from Portland to the Gate City.

Mr. and Mrs. D. B. Hendricks, of Elgin, passed through the city this morning on their way home from Hot Lake where they had been for several days. They expect to leave in about two weeks for St. Louis to take in the fair.

The Ladies of the Neighborhood Club met in their parlors yesterday afternoon in response to a call issued by Mrs. Worstell and elected the following delegates to attend the state Federation of Women's Clubs which meets in Baker City, Oct. 14, 15, 16, President, Mrs. J. J. Slater; alternates Mrs. Worstell and Mrs. Ramsey.

There is no question but one of the results of the county seat victory will be the assurance of receiving the benefits of a free mail delivery. The natural increase in the business of the La Grande office would have given it to us any way next year but the increased postal receipts which the county seat gives us makes it beyond the possibility of a doubt.

It has been stated that the Rt. Rev. B. W. Morris, Bishop of the Episcopal church in Oregon, has announced that by reason of old age and infirmity, he will soon ask for the election and consecration of a bishop coadjutor for this diocese. Bishop Morris is past 86 years old and unable properly to supervise the work of the church longer, and members of the church will be pleased that he intends soon to ask for a coadjutor.

Accidentally Shot

This afternoon at about one o'clock O. H. Carlson, a wood dealer residing at Kamela, accidentally shot himself while returning from a hunting trip. He was alone in a cart and the shot gun slipped through the seats in the bottom of the cart and striking the ground was discharged. The charge took effect in the left arm between the shoulder and the elbow. He was at once brought to this city, arriving here about three thirty and was taken to Dr. A. L. Richardson's office. As we go to press, arrangements are made to amputate the arm at the shoulder. Considering the terrible punishment Mr. Carlson has sustained, he is resting quite easy and seems remarkably strong.
