

Millinery Opening

SATURDAY, SEPT. 17

The attention of the ladies of this city and county is called to the fact that I will hold my Annual Fall Millinery Opening Saturday, Sept. 17, and you are all invited to attend. You know that in the past I have shown the very latest styles and most beautiful creations in up-to-date millinery and this season I am able to not only keep up with my past record, but surpass it in many ways. The styles this season are more beautiful and the prices are much lower. I cannot explain here all the new and beautiful designs, but respectfully invite you to call next Saturday and inspect them for yourselves. You are judge.

STORM SWEEPS THE EAST COAST

Ravages the Atlantic Coast and Creates Destruction of Life and Property.

(Observer Special)
New York, 16—A number of lives were lost, much property was damaged and several ships were wrecked in a storm which ravaged the Atlantic coast last night and today. Tonight telegraphic reports say the storm has swept out the ocean from the Canadian coast south. The greatest loss of life was near Wilmington Del. Tug Israel W. Durham, with a crew of six men, and four employees of the American Dredging company, was swamped in the Delaware river during the height of the storm. Eight of the ten persons on the little craft were drowned. From farther down the coast—Jacksonville—comes the

report that five men were drowned off Charleston. New York suffered comparatively little. The wind and rain and thunder and lightning were terrific, but little actual damage was done. Nineteen coal barges went adrift in the bay, and tonight the wreck-ge strews the shore from the battery to the narrows. No lives were lost. Several small vessels also went ashore at various parts of the coast near New York. A fishing steamer the Joseph Church of Green Port, N. Y. struck on Peaks Hill bar today and was smashed to pieces. The captain of the crew and and twenty-one men were saved.

The close was firm with December at \$2.15 3/8 a 1.15 1/2. May closed at \$1.16 7/8 a 1.17, a gain of 7-8 cents as compared with last night's final figure.

JOSEPH BARTON SLIGHTLY INJURED

General Freight and Passenger Agent Joseph Barton of the Sumpter Valley Railway while riding over the line of the extension of that road south of Tipton yesterday morning met with a serious accident. While his horse was jumping over a fall in the road the girth broke, pitching Mr. Barton to the ground the concussion dislocating his left shoulder. Mr. A. P. Goss, of Tipton who was with him secured a rig and got Mr. Barton safely to the railroad station at Tipton in time to catch the afternoon train to Baker City. On arrival here Dr. T. N. Snow set the dislocated shoulder joint and left the patient in comfortable condition. Mr. Barton will perhaps be confined to his home a week.—Baker City Democrat.

Miss (Globe) (Globe) with her brother and the initial "M" punctuated the Great Conqueror's Career.

From Marengo to Moscow was the long swing in the pendulum of Napoleon's life, the one the greatest battle out of which he came with his life, the other the abyss which engulfed him. Mr. J. M. Buckley, who is a literary expert on coincidences, points out how strangely the letter M played a part in the life of the great conqueror.

Marboe was the first to recognize the genius of Napoleon at the Ecole Militaire. Meles opened to him the way to Italy. Mortier was one of his first generals. Moreau betrayed him, and Murat was the first martyr to his cause. Marie Louise partook of his highest destinies. Metternich conquered him on the field of diplomacy.

Six marshals—Massena, Mortier, Marmont, Macdonald, Murat and Mouton—twenty-six of his generals of divisions had names beginning with the letter M.

Murat, duke of Bassano, was the counselor in whom he placed the greatest confidence. His first great battle was that of Montenotte; his last was that of Mount St. Jean. He gained the battles of Moscow, Montmirail and Montereau. Then came the assault of Montmartre. Milan was the first enemy's capital and Moscow the last in which he entered.

He lost Egypt through the blunders of Menou and employed Mollins to make Plus VII prisoner. Malet conspired against him, afterward Marmont. His ministers were Maret, Montalivet and Mollin. His first chamberlain was Montesquieu.

Denman Thompson recently celebrated the seventieth anniversary of his birth. Elmer Buffham is starring as Shylock in the "Merchant of Venice," under management of Fletcher and Strobach.

Frederic Remington, the artist, assisted in the staging of "John Ermine of the Yellowstone," now at the Manhattan theater, New York. Herr Corried announces Dec. 24 as the date of the production of "Parsifal" at the Metropolitan Opera House, New York. Repetitions will be given Dec. 31, Jan. 7, 14 and 21.

Rosario Guerrero, the Spanish pantomimist, arrived in New York recently on the Kaiser Wilhelm der Grosse. She will present "Carmen" in pantomime at a Broadway theater.

Ada Rehan has filed objections to the executors' accounts of the Augustus Daly estate. She has as well sued for the recovery of \$5,000, which she claims as arrears of salary.

ANOTHER SALOON HELD UP

Missoula, Mont, Sept 16—Three masked men in a held up the Gerrety saloon at Lethrop, on the Coeur d'Alene branch of the Northern Pacific about 10 o'clock tonight, secured about \$300 and escaped into the woods. The Gerrety saloon is located near the railroad track. The robbers entered by three different doors, heavily armed, and took the place by storm. They made four customers, who were standing at the bar, turn their faces to the wall and hid up their hands and from these men they secured \$125. They then forced the bartender to open the safe, and from this they secured about \$200.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
