Beautiful Columbia River Folder

A passenger department of the Oregon Railroad & Navigation Company has just issued a beautiful and costly panoramic folder entitled "The Columbia River, through the Cascade Mountains, to the Pacific Ocean." From Arlington to Portland and from Portland to the Pacific Ocean, every curve of the river and every point of interest are shown while Mt Hood, Mt Adams, and Mt St Helens, popularly covered with snow, stand out in their beauty. On the back of the map is an interesting story in detail of the trip from Huntington to Portland and from Portland to the ocean, not overlooking the beaches and the San Francisco trip by ocean. A copy of this folder may be secured by sending four cents in stamps to pay postage to A. L. Craig, General Passenger Agent of the Oregon Railroad & Navigation Company, Portland, Oregon, by sending the address of some friend in the East, and four cents in postage the folder will be promptly mailed.

DICK P SUTTON'S BIG SHOW

When a man sees the great big red printed figures on the dead walls about town denoting extremely popular prices in connection with a theatrical performance, he should not, even if he thinks his taste is of a very superior quality present his criticism of such a show, after having seen it, as he were sitting in judgment upon Richard Ma shed or some other creature of the hiepain world with an h rare gltas to be able to elicit the applause of the cultured men and women of metropolitan life. He should bear in mind that he is being off red something for comparatively n thing and that if it serves to please him for an hour or two and incidentally give him an insight, whether it be in exaggerated form or not, into a life that does not enter into his daily existence, his money has been well expended.

The Sutton company will present for the evening play "A Ruined Life" a comedy drama in four acts. The late moving pictures and specialties will be given.

Notice

Every Friday afternoon at half past two o'clock beginning Sept. 16 there will be a meeting at the home of Mrs. Geo. Blake at Island City for the purpose of reading the Writings of the New Church given to the World through Emanuel Swedenborg.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.
G. B. Burhans of Carlisle Center, N. Y., writes:
"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.
