

One Day Cough Cure

We've seen a remedy advertised to cure coughs in a day. Better keep the cough and shun the remedy. You would be drugged, not cured. There is inflammation to be removed, healing to do, waste matter to be expelled before a cough is rightly cured. White Pine Cough Balsam cannot cure at all unless it cures rightly and it requires from three to five days to cure most coughs. Relieves quicker than that of course 25 and 50c

How Can I Cure My INDIGESTION?

THIS IS A QUESTION THAT HAS BEEN ASKED TIME AND AGAIN BY HUNDREDS—yes, thousands and tens of thousands of people. There is but one way to do this; namely, relieve the Stomach of its nervous strain—rest it; and at the same time Assist the Stomach and Digestive Organs in Digesting and Assimilating Sufficient Food to Rebuild the Tissues Supporting the Organs Involved. There is but one remedy that will do this, and that remedy is KODOL DYSPEPSIA CURE. If you want to know more about Kodol, come in and

ITS DIAGNOSIS

As every organ or function of the body can be reached and influenced from the point of the spinal column where it receives its nerve-fibre, it follows that the Osteopath by specific work on the spinal column is in a position to affect fundamentally every disease which does not fall exclusively within the field of the surgeon! And as every internal disorder leaves more or less tenderness or pain at the point of the spinal column with which the affected nerve is connected it further follows that the Osteopath—if his knowledge of anatomy and physiology is what it ought to be—is in possession of a system of examination that renders his diagnosis of diseases at once easy and accurate.

Do Not Fail

Call at J D McKennon's and hear the merits of Never Stick starch explained by Miss Shanklin.

Hot Off The Griddle

Is the only way to serve cakes. Every body knows that's how they get them at our restaurant, and that's why we're always rushed during meal hours.

Half Your Life

is taken up with eating, and drinking and sleeping. The sleeping you don't know much about but the eating you do. Why not then eat the best? Its wonderful what a good, satisfying meal we can serve you for the price. Come as often as you please and we'll always be glad to see you.

WATCH MAGNETIZED

In these days of the increasing use of electricity, the danger of having your watch magnetized is greater than in the past. I am in shape to demagnetize your watch right away and put it in as good shape as when it left the factory. There is no necessity of running the risk of having your watch lost or broken sending it away when you can get it made as good as new at home by a practice workman at a low cost.
