FACTORY PAYS PIANO LESSONS Six Months Best Instructive Absolutely Free For two years the makers of the magnificent Story & Clark pianos have to prevail upon us to handle their pianos in this Western territory. They saw in this Western territory a splendid market for a high grade instrument and understood the advantage of placing their product with an enterprising up to date concern such as the Eilers Piano House is said to be. During that time although we understood the great merit of the Story & Clark pianos, we deemed it impracticable to add to our immense list of fine pianos, which comprised them, as it does now 30 of the finest American makes all of well established reputation.

But when early in the Spring it became known that we had discontinued the agency for a well-known piano owing to its failure to maintain its original standard, Mr E H Story president of the Story & Clark Company, renewed his overtures, with the result that today there are three carloads of Story & Clark pianos the very cream of this justly celebrated factory now in Portland. The Story & Clark Company proposes to make up for lost time. They intend that the Story & Clark piano shall be a house hold word in the Northwest, that it shall have the prestige it deserves and that by the time the three carloads are disposed of the praises of Story & Clark pianos shall be sung by as many lips as if it had been selling here regularly for many years.

HERE'S HOW THEY'LL DO IT! To accomplish this they have authorized us to make the most liberal offer that piano buyers East or West, have ever had: We are to sell every one of the instruments in these three carloads at dealers wholesale price. Just think! A magnificent Story & Clark piano, the superb #450 style for \$295 \$308 and \$312, respectively, and all other styles at corresponding reductions. **WE PAY FOR LESSONS** Every purchaser of the Story & Clark pianos in these first three carloads may select whichever teacher or music school preferred and the bill for six months tuition of one of the family will be paid by us for account of the Story & Clark Piano Company. Whatever textbooks are needed in the course of the tuition will furnished gratis by the Eilers House for the story & Clark Company. And last but not least Mr Story has promised to send each buyer of one

of these Story & Clark pianos a fine music cabinet as a present next Christmas. **ONLY THREE CARLOADS NO MORE** Bear in mind that if you wish to participate in this offer you will have to attend to it promptly. It applies only to the first three carloads. We want the people of the country and in the town throughout this territory to share in the exceptional benefits of this special offer of the Story & Clark Company. For this reason we have employed extra office help to handle the immense correspondence which this sale is making and to fill orders so that buyers from a distance can be assured of prompt attention. We would prefer to have you come into the store and see the instruments but if you cannot we will send you catalogues that will give you a very clear idea of just what they are. All the other privileges are extended to the purchasers of these pianos, no matter how far away they may be. Every one of them is fully guaranteed, and purchase may be made on our easy payment system if preferred. Eilers Piano House, 351 Washington street corner Park.

Only costs about 50 per yard more than common plaster, and worth many times over. **ADVANTAGES** No danger of freezing as it can be used in zero weather Being flexible instead of brittle—as all sand mortars are—it will dent like wood when struck or jammed, instead of breaking.
