SOME VALUES OF UNOUESTIONED MERIT

Not questionable bargain counter rubbish but gool, of REAL WORTH, of real up to date styles, coming from the fountain heads of fashions, from makers who are masters of their art and have made a life study of supplying a discriminating public with strictly high class goods at prices within reach of all. Our store is filled from fluor to ceiling but you must come and see the goods for yourself, as we can only give you a faint idea-merely a hint as it ware-of the stacks of unmatchable values we have spent so many months in gathering for your consideration.
