The Plows Busy

The late rains put the ground in good condition and plows, seeders and harrows are busy on the farms.

Mountaineer Quits

The Dalles Mountaineer after an existence of forty four years has suspended. The Mountaineer was established in 1860 by Captain Thomas Jordan of the United States regular army then stationed at Fort Dalles and acting as Quartermaster of that post.

Battle Still IN Progress

Tokio, Oct. 12—The battle about Yantai continues today but the result is still undecided. The Russians have a heavy force on the Japanese right, in the direction of the Taitse river, but it is believed that the Japanese have checked the Russian turning movement.

A Russian infantry brigade, with 2,000 cavalry and two guns, crossed the Taitse river October 9, in an attempt to strike Kuroki's flank. The Japanese cut off their retreat, and Kuroki hopes to be able to capture them. The Russian are probably under the command of General Mitchechenko, whose absence is causing the Russian officials considerable anxiety.

Ordered to Advance

Birmingham, Oct. 12—The Post today states that a telegram has reached a high official quarter in London from St. Petersburg declaring that the advance of General Kurapatkin, and even the general order issued under his signature, were dictated from the Russian capital.

General Kurapatkin was peremptorily ordered to either advance and occupy Liao Yang or return home. Liao Yang having been designated all along as the winter headquarters for the Russian army.

Steamer Captured

London Oct. 12 Baron Hyashi, the Japanese minister, reports that a Japanese guardship captured the steamer Fupin, October 1, while she was attempting to smuggle an enormous quantity of contraband into Port Arthur.

Russians Repulsed

Tokio Oct. 12—The Marshall Oyama reports that the Japanese are gaining ground in the battle to the south of Mukden. The Russian attack has, he says, been repulsed for the time at least, but will probably be continued. The war department's dispatch was a long one, but no other portion than that quoted has been issued. It is presumed it details further plans that are contemplated, and for that reason has been held secret.

Mark, the little son of Mr. and Mrs. Allevod, had the misfortune of having his shoulder blade badly crushed by a horse Tuesday.

Miss Ella Hunter has opened a store of notions. Call and see her. (Mng)

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them. When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order. If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

HOW TO FIND OUT.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once.

Foley's Kidney Cure is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
