

One Day Cough Cure

We've seen a remedy advertised to cure coughs in a day. Better keep the cough and shun the remedy. You would be drugged, not cured.

There is inflammation to be removed, healing to do, waste matter to be expelled before a cough is rightly cured. White Pine Cough Balsam cannot cure at all unless it cures rightly and it requires from three to five days to cure most coughs. Relieves quicker than that of course. 25 and 50c

WATCH MAGNETIZED

In these days of the increasing use of electricity the danger of having your watch magnetized is greater than in the past. Run in shape to demagnetize your watch right away and put it in as good shape as when it left the factory. There is no necessity of running the risk of having your watch lost or broken sending it away when you can get it made as good as new at home by a practical workman at a low cost.
