watson Defines

Mr. Thomas E Watson, the popular nominee for the Presidency, in his characteristic letter, and a very able letter it is, thus defines modern Democracy.

"Having learned what true Democracy was from Stephens and from the writings of Jefferson, I am not willing to change the creed at the dictation of Belmont, Pat McCarran and Arthur Gorman."

"Measured by the old standard of Jefferson, Jackson, Benton, and Stephens, the party which calls itself Democratic has no right to do so. It contains no Democratic principles. It does not seek to accomplish any Democratic purposes. It has no harmony of creed, no unity of action, no common legislative object. One and all, they would to capture the offices; beyond that they do not agree upon any earthly subject."

Not Up To Average

Mr. O W Nibley, president and manager of the Grand Ronde Lumber Co. at Perry who was in the city yesterday stated that the season's cut of lumber had not been quite up to the average the output being only 14,000,000 feet instead of about 20,000,000 feet as usual. Mr. Nibley stated however that the company was well satisfied with the business considering market conditions and look forward to a prosperous season in 1905. The earnings for 1904 will figure up a good profit and shipments of lumber to the East have been heavy.—Baker City Democrat.

Every Body Laughs

"Finnigan's Ball" has made million laughs. Unlike most musical comedies, it has a story, with an interesting plot and a good plot. It is a musical comedy without a plot or musical number. The general

patronage secured this successful farce has prompted the management to secure the best of the former and so less than nine of the latter, some of which are the season's Broadway successes. The large company which includes a chorus of pretty girls is headed by Gallagher and Barrett, the leading exponent of legitimate Irish comedy at Stewards Opera house Friday 21.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

HOW TO FIND OUT.

You can easily determine if your kidneys are out of order by getting a sample for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once.

Foley's Kidney Cure is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
