

# HAIR BRUSHES

In buying hair brushes, and all other brushes, we look out for points that might escape the notice of customers but which have everything to do with the life and service of the brush.

The construction, material, manner in which bristles are fastened, etc, are all important. The brushes you get here are such as you would seek were you a brush expert.

# GOMBS

We are as particular in buying combs as we are in selecting brushes. In either line we are able to give you the best possible value for your money.

## WATCH MAGNETIZED

In these days of the increasing use of electricity the danger of having your watch magnetized is greater than in the past. I am in shape to demagnetize your watch right away and put it in as good shape as when it left the factory. There is no necessity of running the risk of having your watch lost or broken sending it away when you can get it made as good as new at home by a practical workman at a low cost.

H. Pearce, the Jeweler
