In buying hair brushes, and all other brushes, we look out for points that might escape the notice of customers but which have everything to do with the life and service of the brush.

The construction, material, manner in which bristles are fastened, etc, are all important. The brushes you get here are such as you would seek were you a brush expert.

## GOMBS

We are as particular in buying combs as we are in selecting brushes. In either line we are able to give you the best possible value for your money.
