

## Another Week of Unmatchable Bargain Offerings

We dislike, and do not often use, the most misused word known to the English Language—BARGAINS—But know of no other word that adequately expresses the really out-of-the-ordinary values which our exceptional buying facilities enables us to offer you in the season's best goods of all descriptions. There is hardly a train but brings us new goods of all kinds picked up by our Eastern buyers whose business is to be on the lookout for New Creations that are being put on the market every day and cannot be had out here so far away from the real fashion center without continual vigilance by some one who is in continual touch with the markets of the world.

It Costs Less Money to Buy the Newest Here.

You Don't Pay For The Fellow Who Forgets To Pay If You Trade Here.

Cheaper to Prevent Colds than to Pay the Doctor

Nine-tenths of the colds come from damp feet. Don't keep on wearing thin soles until you catch cold and have the doctor and druggist to pay—You'll have to buy the shoes anyway. Buy new and lay the thin soled ones away until spring.
