## LADIES SAY

That the way to reach a  
man's heart is through his  
stomach. Try it by using  
Geddes Bros' canned fruits,  
delicious berries, lettuce, on-  
ions, and radishes, just fresh  
from the garden. We are  
the first store the farmers  
call on and of course we get  
the choice of everything.

We always have the fresh-  
est eggs, butter, etc.  
Special attention given to  
phone orders.

## WHOLE FAMILY KILLED

The Most Terrible Crime  
Ever Chronicled in  
California

[Observer Special]

Auburn Cal Nov, 12—The body of  
Julius Webber was found this morn-  
ing in the bath room where he perished  
as did also his wife and daughter  
and son whose bodies were found yes-  
terday in the burnt ruins of his home.  
This is evidently one of the most  
atrocious crimes ever chronicled in  
the history of the state. Mrs Webber  
was shot through the head, Bertha was  
shot through the chest and the boy  
Paul had his head crushed.

Webber was a large money lender  
and had a large safe in the house  
which is too hot to open to see if rob-  
bery was the cause. One theory is  
that Webber killed the family and  
then himself but as he was known to  
be a kind and affectionate husband  
and father there is little credence given  
that view.

The position of the wife and daugh-  
ter confirm the view of a holdup and  
it was thought that the old gentleman  
was struck down and then placed in  
the bath room and the house set afire.  
The bullet wounds were .32 calibre and  
the only arms on the place was a 22  
rifle.

\$1,687,500

The Bulletin just issued by the United States  
Government, after months of careful research, shows  
that in the Western States, the average family pur-  
chases annually goods to the amount of \$750

On this basis the 2250 families visited  
with each issue of the Daily and Weekly OB-  
SERVER annually purchase merchandise to  
the amount of

\$1,687,500

The natural logical conclusion cannot be otherwise  
than that no wide-awake business man who will take  
the few moments necessary to convince himself of the  
accuracy of the above statement, can afford to miss  
the opportunity of placing his announcements (25,500  
each month) before this army of purchasers.

An ad under such conditions, properly taken care  
of will most certainly bring enormous returns on the  
investment.

These Presentations of  
FACTS

Should receive the most careful consideration of  
every business house whose volume of business de-  
pends upon the patronage of this city and county,

A POLICEMAN'S TESTIMONY  
J. N. Patterson, night policeman of  
Nashua, Ia., writes:—"Last winter I  
had a bad cold on my lungs and tried  
at least a half dozen advertised cough  
medicines and had treatment from two  
physicians without getting any benefit.  
A friend recommended FOLEY'S  
HONEY AND TAR and two thirds of  
a bottle cured me. I consider it the  
greatest cough and lung remedy in  
the world."
