TO TAKE WELL

doesn't always mean you have to eat at a King's table or dine at a Delmonico's. On the contrary you can fare just as well, be just as happy, and on far less money, by eating at our restaurant.

GOOD FOOD, GOOD SERVICE

are two points of merit that belong to our restaurant. You don't go away hungry and what you get builds you up and don't cause dyspepsia. There are two things no one ever complains of, and that is our food and our prices.

WATCH MAGNETIZED

In these days of the increasing use of electricity the danger of having your watch magnetized is greater than in the past. I am in shape to demagnetize your watch right away and put it in as good shape as when it left the factory. There is no necessity of running the risk of having your watch lost or broken sending it away when you can get it made as good as new at home by a practical workman at a low cost.
