Justice Hough had a man who answers to the name of Dan Sullivan up before him this afternoon charged with stealing a pair of blankets from one E. E. Robinson. When the complaint charging Sullivan with taking the blankets was read to him and he was asked how he would plead, he answered "Oh, I will plead any way that will get me out of this and let me get back to work again. I was drunk and want to get back to the logging camp." At the time of going to press Justice Hough had not decided when Sullivan would return to work.

## Draw Crowded House

The Keith Stock Co., played last night to a crowded house when they rendered "The Slave of the Mines." At every production they have given in the city the company has had a crowded house, and they well deserve it. The Keith Stock Co. is one of the best companies of its class on the road and has been excelled by none of the companies which come to La Grande. The patronage they have received each night shows how the people appreciate the efforts of the company to entertain.

The specialties are all good, and are changed every night. Last night a new feature in specialties was introduced when Mr. Richards appeared in his sleight of hand performance, which mystified the audience as well as "tickled their risibilities." The entire performance was good, and Mr. Lawrence, the leading man and manager of the company, deserves credit for his good choice in selecting the support he has obtained.

## Council Meeting

The city council met last evening to consider the granting of a franchise to the Oregon Development company for the use of certain streets. The ordinance was passed to the second reading and referred to the judiciary committee and after considering the matter for over an hour they adjourned to meet again next Wednesday to take final action on the matter.

## Fine Apple Orchard

M. L. Causey has been engaged this week in the comparison of sitting out trees in his 160 acre apple orchard on the Sandridge. Those who have visited the tract pronounce it one of the finest orchards they ever saw. The trees are set out 28 each way and are in perfect line. For years it was thought the Sandridge would not produce wheat. Now it is the grain belt of the county. For years it was likewise thought that fruit could not be grown but the many orchards now bearing produce as fine fruit as is grown in the county.

TO EAT WELL

doesn't always mean you have to eat at a King's table or dine at a Delmonico's. On the contrary you can fare just as well, be just as happy, and on far less money, by eating at our restaurant.

GOOD FOOD, GOOD SERVICE

are two points of merit that belong to our restaurant. You don't go away hungry and what you get builds you up and don't cause dyspepsia. There are two things no one ever complains of, and that is our food and our prices.

## WATCH MAGNETIZED

In these days of the increasing use of electricity the danger of having your watch magnetized is greater than in the past. I am in shape to demagnetize your watch right away and put it in as good shape as when it left the factory. There is no necessity of running the risk of having your watch lost or broken sending it away when you can get it made as good as new at home by a practical workman at a low cost.
