NORTH WEST NEWS

According to Attorney General Crawford, the state will get \$10,000 inheritance tax from the estate of the late Mrs Amanda W Reed, of Portland.

The 3 year old child of John Rushrow, of Mukilteo Wash., was burned to death Nov 16 as a result of playing with matches. His clothes were completely burned off.

At Bellevue, Wash., on November 15, Henry Junkin was standing beneath a fir tree when a large piece of bark fell striking him between the shoulders. He fell and was immediately paralyzed from the shoulders down, and died two days later.

Convicted

The United States Jury at Portland in the case of Henry Melville surveyor general of Oregon who was charged with forgery with reference to public lands was convicted on 21 different counts. This is the first of a number of cases that Inspector Green has been working for some time. U S District Attorney Hall in his address before the jury strongly insinuated that this was just a beginning and as he was recently appointed by the president for his past efforts in prosecuting land fraud cases it is presumed that he knew what he intended to do and there will doubtless be not a few disturbed minds after reading of the convention of Melville.

\$1,687,500

The Bulletin just issued by the United States Government, after months of careful research, shows that in the Western States, the average family purchases annually goods to the amount of **\$750**

On this basis the 2250 families visited with each issue of the Daily and Weekly OBSERVER annually purchase merchandise to the amount of

\$1,687,500

The natural logical conclusion cannot be otherwise than that no wide-awake business man who will take the few moments necessary to convince himself of the accuracy of the above statement, can afford to miss the opportunity of placing his announcements (25,500 each month) before this army of purchasers.

An ad under such conditions, properly taken care of will most certainly bring enormous returns on the investment.

Should receive the most careful consideration of every business house whose volume of business depends upon the patronage of this city and county.
