 New Wall Paper.**

We have just received half a carload of the newest and latest wall paper. Half a carload means 20,000 rolls. This is more paper than any one firm ever thought of bringing into this county in a single season.

This paper is all for sale and must be sold this season. We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern who, with the five first class paper hangers already in our employ, give us the best working force in the inland Empire.

Another Good Play

The Keith Stock Co. last evening played to a house that was crowded and which was full of appreciation and enthusiasm from the rising of the curtain in the first act to its falling in the last scene. This company has some very strong plays in its repertoire, but the play last evening "The Light House Robbery" is one of the best they have produced here this season. The scenic effects are all good in this play and the manner in which the saving of the child thrown into the sea is effected, is exceptionally good. All the characters in this play are well interpreted by the players of the company, and 'tis seldom that all the players in a whole company represent their respective parts so well. This company has given the people of La Grande a pleasant week of entertainment and the theatergoers of one accord give them a hearty invitation to return.

Receiver Roberts of the land office left this morning for Pendleton to visit his wife who is staying there at the present time.
