## THE OBSERVER

# LAND FRAUD CASES ARE POSTPONED

For Reasons Known Only to the Government  
the Cases are Continued until  
April.

Portland, Dec. 15.—Once more the prosecution of the land fraud cases has been productive of a sensational surprise. To the utter amazement of the throng of witnesses and spectators who filled the federal court room yesterday morning, expecting the commencement of the second trial of A. D. Pater and his codefendants, the government moved a continuance of this and all other pending land fraud cases "for reasons which cannot be disclosed" until the April term of court, and the continuance was promptly granted.

United States District Attorney John Hall then moved that the federal grand jury be directed to reconvene next

Monday and an order to this effect was immediately granted.

The postponement of the land fraud prosecutions was wholly unexpected by the general public, and even the attorneys for the defense had only an intimation of the government's purpose. Evidently the decision to ask a continuance was reached at the last moment for active preparations for the trial have been in progress and a small army of witnesses had been subpoenaed. Some of them were brought from distant points, and only a few days ago the government's attorneys declared their intention of bringing the prosecutions to an early conclusion.

### At Issue

After so long a time the courts will now soon be called upon to decide whether or not Turner Oliver will have to move his fence and sidewalk back. He secured an injunction to restrain the city from moving the same and it will now be tried out in the circuit court. Mr. Oliver's plea will be that he has enjoyed undisputed right to the six or seven feet for the past 13 years, which gives him complete possession.

WAS GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured."

### Rector of St. Luke's

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy

Ashburnham, Ont., April 18, 1903. —I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think so be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy. Respectfully yours,  
E. A. Langfield, M. A.,  
Rector of St. Luke's Church.
