STATE GOVERNORS ON OSTEOPATHY

Governor Grant, Vermont: "Osteopathy has been tried by the leading men and women of this state, and they testify to its merits. We will give it a chance."

Gov. Briggs, North Dakota: "Osteopathy has helped me and done good in my family, and in the hands of competent persons as this bill limits it will hurt no one. I will sign it."

Gov. Pingree, Michigan: "Osteopathy is a science entitled to all respect and confidence as a district advancement in the science of medicine."

Gov. Shaw Iowa (secretary of the treasury): "I am fully convinced that Osteopathy is a rational and scientific system of healing."

Gov Altgeld Illinois: "Osteopathy came to the rescue of myself and wife and did that which other things had failed to do. Honor to those to whom honor is due."

Gov McMillan, Tennessee: "Osteopathy is one of the greatest discoveries of modern times."

Gov Turner, Illinois: "There is no doubt that Osteopathy will reach and cure many chronic troubles that medicine will have little effect upon." Similar expression come from Governors Stevens of Missouri, Lee of S Dakota, Dillingham Vermont, Taylor Tennessee, Beckhom Kentucky, and Smith Vermont.

Only a sound, scientific and complete system can elicit such expression from such men. You who lack knowledge and regard Osteopathy as "rubbing" and a "fad," are due to investigate.
