Rector of St. Luke's
 Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy
 Ashburnham, Ont., April 18, 1903.
 I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think I could be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy. Respectfully yours,
 E. A. Langfield, M. A.,
 Rector of St. Luke's Church
 This remedy is for sale by All Druggists.

\$1,687,500

The Bulletin just issued by the United States Government, after months of careful research, shows that in the Western States, the average family purchases annually goods to the amount of \$750

On this basis the 2250 families visited with each issue of the Daily and Weekly OBSERVER annually purchase merchandise to the amount of

\$1,687,500

The natural logical conclusion cannot be otherwise than that no wide-awake business man who will take the few moments necessary to convince himself of the accuracy of the above statement, can afford to miss the opportunity of placing his announcements (25,500 each month) before this army of purchasers.

An ad under such conditions, properly taken care of will most certainly bring enormous returns on the investment.

These Presentations of FACTS

Should receive the most careful consideration of every business house whose volume of business depends upon the patronage of this city and county,
