From North Powder

North Powder Citizen
Through the efforts of the people of La Grande the stopping of all trains at this place has been brought about. Those trains which do not now stop can be stopped with a flag. This is a great accommodation to the people of this vicinity as it enables them to spend a day at the county seat without being compelled to stay all night. There are other ways that this an accommodation to our people. If away from home they may avoid an unreasonable delay.

Our people should be very grateful to the people of La Grande for their kindness and give unto that city all that is justly her's for "one good turn deserves another."

"I was much afflicted with sciatica," writes Ed C Nud, Lowaville, Sedgwick Co Kan, "going" about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment. I used three 5c bottles. It is the greatest liniment I ever used, have recommended it to a number of persons all express themselves as being benefited by it.
