THE OBSERVER

COLD STORAGE PLANT

A. A. Gust Intends to Keep Alert with Fruit Interests of County,

A A Gust, of the Oregon Produce Co., yesterday stated to an Observer representative that just as sood as the weather permitted he would commence the building of another large cold storage plant. His present large brick house has a capacity of 100,000 boxes but Mr. Gust says this will not be large enough for La Grande, which naturally will always be the fruit center of the banner fruit county in the state.

The receipts of turkeys today was very large and the market prices are consequently lower. The market is some weaker in respect to dressed turkeys and live ones also. There are however, slight changes in the prices.
