Music

R P Tait the pioneer music teacher of Grande Ronde Valley is still in the ring. During my vacation I made it my business as well as pleasure to attend concerts, operas, and in fact every thing in my line of business and I found that I as a teacher, and interpreter of music and still in the front rank. Pupils who do not wish the full conservatory course may take the popular piano course. This places the pupil in position to play the popular music of the day, Church and Sunday School music.

The violin popular course places the pupil in position to play all kinds of dance music as well as light overtures. Quite a number of musicians who have been under my instruction are now making good money as teachers and soloists. Pupils who are under my care will be thoroughly instructed in music.

Rector of St. Luke's

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy:

Ashburnham, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think so able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach the same on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-send remedy. Respectfully yours, E. A. Langfield, M. A., Rector of St. Luke's Church

This remedy is for sale by All Drug-ists.

Resolutions

If we keep all these we may hope for the coming of the millennium.
Fellow-Citizens: Upon this, the birth of a new year, let us resolve:
Never again to ask our wife what she did "with all that five dollars" we gave her three months before;
To own up, without equivocation, that we were asleep;
Not to attempt to eat the things that we know do not agree with us;
To stop reading a paper that we do not like, instead of forever grumbling over it;
Not to complain about our neighbor's chickens, when our own dog runs loose;
To respect our wife's opinion when it is contrary to ours;
To refrain from demanding, "What is the matter with the dinner?" when, if we looked at the clock, we would see that it is not yet time for it;
Not to deride ping-pong—and then adopt it;
Not to tell the president what he ought to do;
To admit that other person's motives are as good as ours;
Then to die right away quick, ere our halo becomes tarnished.—Edwin L. Sabin, in Puck.

For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Newlin Drug Co."

"I was much afflicted with sciatica", writes Ed O. Nud, Iowa, "I had been Co Kan, 'going' about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment I used three 50c bottles, it is the greatest liniment I ever used, have recommended it to a number of persons all express themselves as being benefited by it, I now walk without crutches, able to perform a great deal of light labor on the farm."—Newlin Drug Co.
