Printing

That

Satisfies

There is a difference between printing that "will do" and that which is the kind you really want.

We make a specialty of pleasing, as we have the equipment with which to produce good printing and printers who understand the art of printing.

There is no order too small or too large to receive our careful attention.

We print anything from posters to visiting cards.

NOW IS THE TIME

THE O'CONNOR ADDITION

is now ready for the market and will be sold at reasonable rates. This addition contains some of the most handsome residence sites to be found in La Grande. This splendid addition has been held off the market for several years, the owner believing that the time had not arrived when it would be properly appreciated. Now is the time to buy and insure good returns on the investment. The O'Connor addition is nicely located in regard to schools, churches and the business district.

Forced To Starve
B F Leek, of Concord, says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else I cured it with Bueklen's Aralo Salve." It's great for burns, cuts and wounds. At the Newlin drug store; Only 25c

Bent Her Double
"I knew no one, for four weeks, when I was sick with typhoid and kidney trouble," writes Mrs Annie Hunter of Pittsburg Pa. "and when I got better, although I had one of the best doctors I could get, I was bent double and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders at the Newlin drug store price 50c

Coughing Spell Caused Death
"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe-Democrat Dec 1 1904." Ballard's storehouse grip wound have saved him.—25c. 50c and \$1.00.—Newlin Drug Co.

Startling Evidence
Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T J McFarland Bentoville, Va. serves as example. He writes: "I had bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Newlin Drug Company. Trial bottles free, regular sizes 50c and \$1.00

Cured Paralysis
W S Bally, P O True, Texas, writes "My wife had been suffering five years with paralysis in her arm when I was persuaded to use Ballard's Snow Liniment which cured her all right. I have also used it for old sores, frost bites and skin eruptions. It does the work." 25c 50c \$1.00—Newlin Drug Co

That Throbbing Headache

No Change

The government authorities have definitely concluded not to make any changes up or down in the scales of wages paid by the government to laborers and mechanics during 1905.

How?

Diseases are cured and life saved by sustaining the patient's strength. To sustain the patient's strength and direct the recuperative forces, is the only business of the true physician. But how is this sought to be done? Can it be done by administering agencies confessedly destructive of life? This is what the doctor in drugs claims. The authorities say "Our most violent poisons are our best remedies." Drug doctors by these poisons arouse the vital energies, and one is deluded into the belief that he is giving the patient strength, when, as a matter of fact, he is rapidly exhausting his strength. This is the theory of medicine. Osteopathy is exactly the opposite. We conserve and control the vital energies and hence we are curing diseases that by other systems are abandoned as incurable.
