 A pleasant surprise party may be given to your stomach and liver, by taking a medicine which will relieve their pain and discomfort, viz: Dr Kings New Life Pills. They are a most wonderful remedy affording sure relief and cure for headache, dizziness and constipation. 25c at drugstore Newlin Drug Co

Heart Fluttering
 Undigested food and gas in the stomach located just below the heart, presses it and causes heart palpitation. When your heart troubles you in that way take Herbine for a few days. You will soon be all right, 50c. Newlin Drug Co

MEANING OF D. O.
 What a Doctor of Osteopathy is and What His Distinctive Title Means

The graduate of a recognized College of Osteopathy, after a long and exhaustive study of the highest authorities in anatomy, physiology, pathology, diagnosis, therapeutics, and all kindred branches, is awarded a diploma that gives him the legal right to the title of Doctor of Osteopathy. That is the only title that he wishes, for he makes no pretense of practicing medicine, the word medicine being generally accepted as meaning drugs.

THE WORK OF THE D. O.
 The abbreviation of the title of Doctor of Osteopathy is D. O., and the province of the D. O. is to help nature, in the human body, to right herself. He believes that drugs are not only unnecessary but distinctly damaging, and that the body is a very perfect machine that will run along smoothly if supplied with proper fuel (food), and if none of its parts get out of position.

A VERY DELICATE MACHINE
 But, while the most perfect of machines, it is also the most delicate, and derangement of its parts can be brought about in a number of ways. Falls, jars, strains, undue exertions and local contractions or relaxations due to changes in temperature, are only a few of the things that may cause trouble in this delicate mechanism. Sometimes the effects are immediately apparent sometimes long delayed.

REPAIRING THE STRUCTURE
 It is for the especial work of finding the derangement and rectifying it that the Osteopathic physician is trained. He is a master mechanic and when anything is wrong with a machine it is the master mechanic who services should be called in. If some little part has slipped out of place, the resulting trouble may be at a distant part of the mechanism and any but the trained expert would be likely to attempt repairs in the wrong place and work further damage. But the skilled work man does nothing until he has made a thorough examination and found that little part that has slipped out of place. Then his training enables him to replace it. That is the work of the Osteopathic physician.—The Right Way.

Chamberlain's Cough Remedy the Best Made
 "In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. There are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Newlin Drug Co.

\$1,687,500

The Bulletin just issued by the United States Government, after months of careful research, shows that in the Western States, the average family purchases annually goods to the amount of **\$750**

On this basis the 2250 families visited with each issue of the Daily and Weekly OBSERVER annually purchase merchandise to the amount of **\$1,687,500**

The natural logical conclusion cannot be otherwise than that no wide-awake business man who will take the few moments necessary to convince himself of the accuracy of the above statement, can afford to miss the opportunity of placing his announcements (25,500 each month) before this army of purchasers.

An ad under such conditions, properly taken care of will most certainly bring enormous returns on the investment.

These Presentations of FACTS

Should receive the most careful consideration of every business house whose volume of business depends upon the patronage of this city and county,

MEAT AND GRAIN
 are the principal food of the strongest nations. If all grain were as good as the meat we sell our customers would be the strongest on earth. There is considerable

SATISFACTION
 is handling the kind of meat we do. It's real pleasure to have a customer ask for "a roast just like the last; it was delicious." We often have that said to us. And listen—we don't care if you do weigh our meat when you get home. Some butchers don't like it. You know why
