## Music

S. P. East the pioneer music teacher of Grande Ronde Valley is still in the ring. During my vacation I made it my business as well as pleasure to attend concerts, operas, and in fact every thing in my line of business and I found that as a teacher, and interpreter of music and skill in the front rank. Pupils who do not finish the full conservatory course may take the popular piano course. This places the pupil in position to play the popular music of the day, Chacon and Squany School music. The Viola popular course places the pupil in position to play all kinds of dance music as well as light overtures. Quite a number of musicians who have been under my instruction are now making good money as teachers and soloists. Pupils who are under my care will be thoroughly instructed in music.

## Chamberlain's Cough Remedy

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. There are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Newlin Drug Co.
