Coughing Spell Caused Death
 "Harry Duckwell, aged 25 years choked to death early yesterday morning at his home in the presence of his wife and child. He contracted a slight cold a few days ago and paid little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive another coughing spell came on and Duckwell died from suffocation.—St Louis Globe-Democrat Dec 1 1924." Ballard's Storebound eye and wound have saved him.—25c, 50c and \$1.00.—Newlin Drug Co.

results in the interest of the people to be the result of its connection. Surely some one has been very derelict of duty and now the governor, recommends to the Legislature a liberal appropriation for this same road in the name of the good people of the State will this cry of the leech formers never cease and the Portland Journal recommends that the read when complete be operated free of charge which proves conclusively to my mind that he knows that the road will not pay operating expenses, now let me put this question to the people at large of State "Are you willing for the Legislature to make another large appropriation for that road" and then have I operated free of charge or rather at the expense of the state at large if you are not willing to submit to all this unjust imposition, I respectfully suggest that you arouse from your unwarranted sense of security and protect yourselves before it is everlastingly too late for such is the program.

Another little matter that I would like to call to the attention of the festive tax payer of the State is the fact that Portland interest has the plans laid to ask the Legislature to buy the Lewis and Clark Fair grounds by the State and donate the same to the City of Portland for a grand City park.

Now my brother tax payers if you are not willing to pay these Sundry little bills you had better begin to kick vigorously without delay. We would all like to see Portland have a nice City Park if she would pay for it herself.

How Would You Like to have One Hundred New Customers?

Let Your Newspaper Do Things For You

Is your store in such shape that One Hundred New Customers would "turn the tide" for you?
 Are things with you only just "so-so"? Bills maturing too fast—sales a little to slow—too many people going past your doors—lack of "snap" and "go" and "hustle" around your counters?
 Are fixed expenses coming to be a burden—while they should be merely an incident—in your business.
 If you feel these symptoms—no matter whether you are a big merchant or a little one.—You need a Tonic

PUBLICITY
 in just as large doses as you can stand REPEATED EVERY DAY will change the whole situation for you.
 It is idle to suppose that you cannot secure the one hundred new customers—regular customers who would "turn the tide" for you.
 YOU CAN GET THEM but not by wishing for them. It's not so easy as that. Nor by distributing hand bills, or putting up posters, or buying space in programs—it's not so easy as that. You must spend some money—more than you have ever spent—for Adequat

When this newspaper has given to you the last word about the events of the day—when it has acted as a sort of central office in "connecting" you with "all of creation"—it has done much for you of course.
 But it can do more than that—it can help you run your store, your office, your factory or your home.
 It can carry your little worries for you and never turn a hair.
 You do not fully use your newspaper until you have read its want columns. It can dispose of things for you. It can find lost things for you, find any kind of help you need, find buyers for your house, your lot, your horse, your furniture, your shop or store, leasehold or equity.
 In short, any day every day, this paper stands ready and able to do things for you!
