HOUSE WARMING WAS A SUCCESS

The "House Warming" dedication and grand ball given by the La Grande Commercial Club last night at the new Court House was attended by hundreds of people from all parts of the county and proved to be the anticipated success. Early in the evening the large court room was filled with people to listen to the program arranged for the occasion, and the crowd was so large that the corridors and office rooms were filled the greater part of the evening.

The program opened with an "Overture" by the Orchestra. Attorney Turner Oliver was Master of Ceremonies, and Mayor J D Sliester delivered the address of welcome in a few well chosen words. Ferrin's Male Quartette then sang "Until the Dawn" which was loudly applauded, after which Mrs Jay Van Buren sang "For All Eternity" responding to a hearty encore. The Reading of the "Boy Oration" by Mrs Chancy her first appearance in public in this city since moving here from Union was much enjoyed, and was very appropriate for the occasion describing a trial in the

court room. O S Williams sang a solo which as usual was enjoyed, after which Mrs W W Berry rendered one of her beautiful piano selections, "An Old World Serenade" song by Mrs A L Richardson was much enjoyed as were the last two selections by "Ferrin's Male Quartette." Each number on the program was encored and those who took part graciously responded.

After the program was dispensed with the time for the big dance to begin was announced and though the crowd was very dense it was not long before many couples were on the floor tripping the light fantastic, "and they danced with right good will, in the new imposing 'Court House' that stands upon the Hill."

Old, young, big and little were in attendance from all parts of the county and those who did not care to dance could chat with old friends or by gone days, and of the future prosperity of La Grande and Union county as a whole.

This beautiful building is one that all can justly be proud of and all will ever remember its "dedication."

Correcting a Mistake

Editor Observer:—

I notice you made a mistake in yesterday's Observer in extending an invitation to the general public to attend the Caledonian Reunion. This Reunion is given by the Burn's Society of La Grande and is open to all who are members of this Society or who are eligible to become members. Any person can become a member who is a native of Scotland or who is a descendant, out of Scotch parents or who is married to a Scotch husband or wife. The Society would be glad to entertain the general public if it were possible to do so, but there are about two hundred members of the Society and those eligible to become members and this is about all the Society can entertain. A cordial invitation is extended to all persons eligible of becoming members as above set out. The only expense is a dollar a year dues charged to the men, the women free. The dues are used to cover the expense of this annual reunion. Yours very truly,
TURNER OLIVER, President
