Special Services at Presbyterian Church

The Bible reading at 3:00 p. m. yesterday was fairly well attended. The subject was "The Rock."
 The meeting last night was well attended, though the Caledonian reinton kept many away. There were present Rev G A Parker, now of Elgin, who led in prayer and Dr Ketchum, of Salem, now the Sunday School Missionary of the Grand Ronde Presbytery. He read the Scripture lesson from Titus 2.
 The text of sermon by Rev Needum was also taken from Titus 2-11. It is needless to say it was splendid. People can not but love such a godly man as Rev Needum. The two beautiful and touching solos by Mr Powers "Saving Grace" and "Saved by Grace," were wonderful.
 Rev Needum said, "We have been given our salvation through grace, the grace of God. Christ has been 6,000 years unfolding to us the scheme of grace. Grace teaches, it teaches us how to live in this present world. It teaches us how to live for ourselves,

our neighbors and our God.
 Heb 2-3 If we neglect and reject salvation how can we be saved? Christ is the door and he bids us enter in. There is but one way for us to be saved, that is God's way as he has mapped it out. What a wonderful salvation! Mark 10—The son of man came as a ransom for our sins. We were held by power of the enemy. But our elder brother left the throne of Glory and paid the ransom, that we might be saved, by the Grace of God. If we would thus be saved God must lay down his life for us. The Son of God came between us and our sins and made us free. How have you been treating this blessed Son of God?
 Every Child of God is saved through grace. Doing penance is not repentance. Repentance as learned from God's word is, turning from sin, turning toward God and staying turned.
 Ephesians 2 8-9 Thanks be to God that salvation through grace, is a free gift to every believing child

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, headache, stomach trouble, sluggish liver, irregular heart action, etc.
 If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.
 You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.
 G. B. Burhans of Corville, N. Y., writes "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
