Another Pay Roll Possible

When the city is supplied with electric power which is now assured at an early date among the industries that's being considered feasible is machine cut stone. We have shipped more or less building stone for a number of years and with cheap power and machinery there is no reason why a large territory can not be supplied from this point. This is an industry that will give employment to quite a number of employees throughout the year.

How Would You Like to have One Hundred New Customers?

Is your store in such shape that One Hundred New Customers would "turn the tide" for you?
Are things with you only just "so so"? Bills maturing too fast—sales a little to slow—too many people going past your doors—lack of "snap" and "go" and "bustle" around your counters?
Are fixed expenses coming to be a burden—while they should be merely an incident—in your business?
If you feel these symptoms—no matter whether you are a big merchant or a little one.—You need a Tonic

YOU CAN GET THEM but not by wishing for them. It's not so easy as that. Nor by distributing hand bills, or putting up posters, or buying space in programs—it's not so easy as that. You must spend some money—more than you have ever spent—for Adequat

Let Your Newspaper Do Things For You

When this newspaper has given to you the last word about the events of the day—when it has acted as a sort of central office in "connecting" you with "all of creation"—it has done much for you of course.

But it can do more than that—it can help you run your store, your office, your factory or your house. It can carry your little worries for you and never turn a hair.

You do not fully use your newspaper if you simply read it.

You do not know your newspaper until you have used its want columns. It can dispose of things for you.

It can find lost things for you, find any kind of help you need, and buyers for your house, your lot, your horse, your furniture, your shop or store, leasehold or equity.

In short, any day every day, this paper stands ready and able to do things for you!
