WHAT SOME PEOPLE IN AND
OUT OF TOWN ARE
DOING

Company L. has arranged to give one of their enjoyable dances at the Armory hall this evening.

Wm. Muir returned this morning to his mines up Grande Ronde river after spending several days in the city.

The Jollity Dancing Club will give their regular party at the Commercial club hall tomorrow evening.

The Order of Railway Conductors will hold its biennial session at the Lewis and Clark exposition in May.

Mrs. C. A. Staples of Hilgard came down to the city this morning on No. 6 to attend to some business matters.

Mrs. A. N. Mayville left this morning for Baker City where she will visit for a few days among friends in that city.

Our neighbors the "Republicans" and "Socialists" at Union seem to laugh because we oppose the division of the county.—North Powder Citizen.

The Grande Ronde Cash Company has just received a car of coal from Rock Springs which contains 90,000 pounds or 45 tons. This is undoubtedly the largest car of coal ever received by a local dealer in this city.

Mr. and Mrs. Joseph Roberts, parents of Receiver A. A. Roberts, a few days ago celebrated their golden wedding anniversary at their old home at Panora, Iowa. They are enjoying the best of health, aged 78 and 73 respectively.

Yesterday was Carnation day, the anniversary of the birth of William McKinley the martyred President. It recalled one of the saddest incidents of recent history and many of his admirers wore a red carnation on the lapel of their coat.

Mayor Charles M. Johns of Baker City is in the city today on legal business. He has been prominently mentioned as an Eastern Oregon candidate for governor before the next state Republican convention. Eastern Oregon has never been honored with the governorship with the possible exception of Governor Moody who resided at the Dalles but since which time the great Inland Empire has expanded to such an extent that Wasco county which adjoins Multnomah is hardly classed with the Eastern Oregon counties.

Even Mr. Hill's regular customers hardly knew the place this morning when they visited the old stand. A complete change had been made, and of course a change for the better. A change for the better is the only sort of a change ever made at Hill's drug store. This time the startling change was made by the addition of six new glass show cases. These cases are the acme of the builder's art, and cannot be excelled anywhere. The store has always been a beauty to behold, but the effect is now even more startling and delightful to the eye. Mr. Hill states business was good during the year just closed and he has every reason to believe that it will be even better during the year just beginning, and has simply made ready for the wave of prosperity which he feels certain will strike La Grande during the year 1905.

Services at the Presbyterian church yesterday conducted by the Evangelist Rev. Needham were largely attended morning and evening. The meetings will continue during this and next week.

At three o'clock this afternoon Mrs. J. H. Pearce received a telegram announcing that the body of the late Miss Kate Usher who died yesterday in Portland would pass through in the morning for burial in Union.

Justice Hough this afternoon handed down a decision in the case where in Joe Williams, colored, and George Oliwine, the proprietor of the pool and billiard parlors, were arrested and charged with fighting. The case was tried last Saturday afternoon and Justice Hough held the case under advisement until this morning when he imposed a fine upon Williams of forty dollars and Oliwine of five. Oliwine paid his fine but Williams was short of the ready cash and will eat his fine out at the county jail.
