WHEAT UNSOLD

The U S Crop Reporter for January 1805 gives the amount of wheat in stock at sixty two principle points of accumulation east of the Rocky Mountains, and stocks in Manitoba elevators and afloat on lakes and canals, on January 1st, 1905 at 51,241,000 bushels than were reported Jan 1st 1904 and 19,528,000 bushels less than the supply at the same places Jan 1st 1903, and 28,024,000 bushels less than the visible amount at the same places Jan 1st 1900.

On the Pacific Coast there were on Jan 1st 1905 wheat in stock, 3,458,000 bushels which is less by 5,564,000 bushels than in 1900, and 769,000 bushels more than the amount reported by the same paper for Jan 1st, 1904.

The O R & N company stands ready to run excursion trains to the cities of the Inland Empire during the Lewis & Clark fair, "Pendleton Day," "Walla Walla Day," "Baker City Day" and "La Grande Day" may all be enjoyed by these cities and thousands of visitors brought out from Portland to visit the natives of Eastern Oregon in their wilds. A word from the Commercial association will fix the date and place the event on the calendar of exposition features. A holiday should be declared in the towns to be visited on the date of the excursion. Picnics should be arranged, parades organized and every effort made to entertain and instruct the visitors in the most royal manner. In this way, only, can the Easterner and the Westerner be made to know each other.—East Oregonian

It is only about six weeks until city election but so far very little has been said with reference to the occasion which has in the past furnished some very strenuous times. There will be a mayor, marshal, recorder and three councilmen to elect. The retiring officers unless re-elected will be mayor Slater, marshal

Rayburn and recorder Newlin councilman Kennedy of the 1st, Gardiner of the 2nd and Reavis of the 3rd wards. The present members have had a busy year, aside from their other duties the building of the city hall required no small degree of their attention and the taxpayers of this city certainly got their moneys worth in that building and the entire county is proud of the achievement.

The politician who attempts to deprive the common people of the privileges of the initiative and referendum law of this state will doubtless be deprived of the privilege of ever again securing a seat in the legislature and he should. An occasional mistake may be made under this law the same as any other but the masses are eager to right a wrong and this can not always be said of the old way of doing business. It was a forward step and should never be retracted.

The legislator who keeps his ear to the ground in order to catch the first rumble of the approaching storm of public opinion will wisely line up with the forces against a constitutional convention. While there are possibly a few changes that could be made for the better such an undertaking is fraught with many dangers. The present few errors can easily be amended and brought up to date. The original constitution of this state has stood the test of time in a remarkable degree and all attempts at a change should be approached with fear and trembling.

"I was much a fluster with sciatica writes Ed C. Nud, Iowaville Sedgwick Co Kan, "going" about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment I used three 50c bottles, it is the greatest liniment I ever used, have recommended it to a number of persons all express themselves as being benefited by it, I now walk without crutches, able to perform a great deal of light labor on the farm."—Newlin Drug Co.

Chamberlain's Cough Remedy the Best Made

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. There are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Newlin Drug Co.

Cured His Mother of Rheumatism

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husband, Kansas. "At times she was unable to move at all, while at times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with. For sale by Newlin Drug Co."
