Suicide of Konasek At Bingham Springs

The Pendleton E O has the following to say regarding the death of Konasek, who committed suicide at Bingham Springs yesterday.

He tied a 45-calibre revolver to a fence post, and placing the muzzle against his breast pulled the trigger the large ball passing entirely through his body, carrying away part of his heart and plowing a hole two inches in diameter through the back, where the bullet passed out. Death was instantaneous.

Operator Swayne at the O R & N office at Bingham Springs heard the report of the revolver and caught sight of the man as he fell forward on his face. When Swayne reached him a few seconds later, Konasek was dead. Despondency is said to have been the cause of the suicide. It is said that he attempted suicide once before, by shooting himself in the mouth, the injury causing an impediment in his speech.

Konasek was a single man, 47 years of age and came from Williamsette valley to Umatilla county in 1881. He leaves a brother here, Frank Konasek, the well known O R & N pump engineer at Bingham Springs. Another brother, Joseph and a sister, Mrs Anna Yonka, live in Iowa.

He has resided at Bingham Springs for the past year, where he has worked in the timber and assisted his brother with the O R & N pump.

Coroner T M Henderson and M A Rader left for Bingham Springs on a freight train this afternoon where an investigation will be conducted. It is known to be a plain case of suicide, however as the preparations for the dead were well made and the operator was an eye witness to the shooting although he did not have the least intimation that Konasek had suicidal intentions before he heard the report of the pistol. The suicide took place in plain sight of the depot and station buildings.

Special Services at Presbyterian Church

The church was well filled at the evening service last night and much interest manifested. The singing was as usual worthy of Prof Powers. His two solos were touchingly sung and his singing of the Gospel has a tender influence on the unsaved. Mr Clifton Powers is without doubt one of the best tenor voices ever heard in this city. Rev Needham gave another splendid sermon text John 3:7. His theme was "The New Birth" He showed how this was one of the vital doctrines of the Bible. From the many Scripture verses he showed the nature of the New Birth how it is secured and that we all must be born

again for Christ said unto Nicodemus: "Marvel Not that I said unto thee ye must be born again." Mr Needham is a Gospel preacher he preaches the word, lifts up Christ as the only Saviour and trusts in the Holy Spirit to make the preaching effective in leading souls to Christ.

Do not fail to come and bring your friends tonight.

At the Business Men's Prayer Meeting yesterday a dozen men came together and united their prayers for the business men of the city. A cordial invitation is given to all men to meet with us from 12:30 to 1 p m. Come and bring others with you.

By Scripps News Association

Los Angeles, Cal. Feb 7.—The inquest into the remains of the Rev C E Bently, a minister of Lincoln, Nebraska, who died here Saturday under mysterious circumstances, has disclosed the fact that the woman in black who took him to his room was merely acting the part of the "good Samaritan." Bright Prospects

If reports are reliable it would seem that Wallowa county will be blessed with a railroad, before many moons. With the advent of the O R & N line from Elgin and the Electric road from Lewiston the transportation problem will be solved. The people of this county should lend encouragement to each of the proposed lines.—Wallowa News.

Music

R P Tait, the pioneer music teacher of Grande Ronde Valley, is still in the ring. During his vacation I made it my business as well as pleasure to attend concerts, operas, and in fact everything in my line of business and I found that I as a teacher, and interpreter of music am still in the front rank. Pupils who do not wish the full conservatory course may take the popular piano course. This places the pupil in position to play the popular music of the day, Church and Sunday School music.

The Violin popular course places the pupil in position to play all kinds of dance music as well as light overtures. Quite a number of musicians who have been under my instruction are now making good money as teachers and soloists. Pupils who are under my care will be thoroughly instructed in music. R P TAIT, teacher.
