The Nurse and the Doctor

Will tell you that the success of a prescription depends on the purity of its ingredience. There is as much variety in medicine as in other merchandise. In our prescription-filling "Quality" is always our first consideration.

You can implicitly trust your prescription to us—quality, accuracy and the right price—are the never failing trio upon which we think we have a right to appeal for your patronage.

REDUCTION SALE

We have made up our minds to sell every roll of Wall Paper in our store before the next spring stock arrives, and in order to insure a complete clean-up we have cut the price regardless of former price.

Wall Paper from 5 cents up

We want to clear the house before March 1st as we expect a carload of Wall Paper to arrive on that date. We have more Wall Paper now on hand than all the other paper houses in the county. Therefore you will have a greater variety to select from. Our present stock is complete.

NEW HOPE

FOR DYSPEPTICS

Osteopathy does not scout either the presence or importance of all such causes in the development of dyspepsia; but Osteopathy has found a new and a more constant cause than any single one of these foregoing; and the Osteopathic message to dyspeptics—who in great numbers are failing to get permanent relief from the old-time treatment of such old time causes—is that a judicious application of Osteopathic skill to the problem will more than likely solve it and work out a cure.

Peter Grant, roadmaster for this division of the O R & N has returned from a business trip to Pendleton.

A FAVORITE PLACE

with those who know what good living means is

THE MODEL RESTAURANT.

There are all the little accessories that help to make a meal enjoyable—a well set table, comfortable seats, plenty of room, courteous waiters, and efficient service.

The chef's attraction, however, is the excellent food and fine cooking. Prices are very satisfactory, too.
