with those who know what good living means is

THE MODEL RESTAURANT.

There are all the little accessories that help to make a meal enjoyable—a well set table, comfortable seats, plenty of room, courteous waiters, and efficient service.

The chief attraction, however, is the excellent food and fine cooking. Prices are very satisfactory, too.

People are exercising their good judgment by supplying their needs in meats at our market; if you want the best, at prices as low as the lowest, come in and see what we have to sell. Your eyes will tell a bigger, better story than our space permits now.
