## HAD VESTEL RIGHTS

(By Scripps News Association) Washington, Feb. 21.-Representa tive Campbell, of Kansas, called upon the Secretary of the Interior today and requested him to fully investigate the blanket lease of 700,000 acres of the best oil and gas lands in the Ossge Indian reservation to the Standard Gil Company, alleging the lease was obtained by fraud. The subject was discussed at the Cabinet meeting today and at its close Secretary Hitchcook said the view of the administration is that parties owning under the lease had certain vested rights which would

## MANY **KILLED**

Observer Special

Birmingham, Ala., Feb. 20.-By an explosion of gas at the Virginia mines at 5 o'clock between 200 and 250 miners were entombed. The bodies of 107 dead have been recovered.

The mines are seven miles briow Bessemer and belong to the Alabama Steel and Wire Company, which is owned by the Schulyers,

The number of men in the mine at the time of the explosion is now known to be one hundred and sixteen including the nine bodies removed The cause of the explosion is known to have been that just before the day shift left the mines at four o'clock last eve ning, the men overcharged one of the "shots" and when the night shift went to work and "dry shot," it the gas was ignited and the flames shot upward a distance of several aundred non today informed the committee on shaft. The force of the explosion was sufficient to cause a large quantity o of the mine. The scenes at the mouth The speaker was presented with a of the shaft, where the families of the petition signed by 200 members of the entombed miners are assembled, is be House asking that the bill be consid- youd all powers of description. Mothers, wives and children stand in mute despair waiting for the worst and hoping for the best, though there is little or any hope that a single miner

The work of resoue is continuing with unabated interest and by nine o'clock nine bodies had been taken from the mine. They were all blackened as to be almost unrecognizable. There are at precent three hundred men at work attempting to open up Appointed the mine and render assistance to the living and remove the bodies of the living and remove the bodies of the dead. The work is progressing slowly on account of the great mass of earth between those entombed and
