Itch—Ringworm
 E. T. Lucas, Wingo, Ky., writes, April 25th 1902: "For 10 to 12 years I had been afflicted with a malady, known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the Liniment on two separate occasions for ring worm and it is cured completely. 25c, 50c and \$1 bottle. Newlin Drug Co."

The Great Revival at Central Church

Never before have such crowds attended Central Church night after night. A full house each evening and not near room enough last evening indicate wonderful interest.

Additions continue. Yesterday nine more presented themselves, five of them to confess Christ, the others to take membership. Three ladies and two men were baptized in the afternoon. One of the splendid results is that so many husbands and wives are together entering the Lord's Service.

As might be expected Bible School pupils came early in the meeting thus demonstrating the value of the school. Later men and women have been in the majority. The ages of those accepting Christ range from eleven to sixty-seven years.

The meetings continue three evenings longer and the results manifest during these evenings will largely determine whether or not they continue.

Resolutions

Ordered by Crystal Rebecca Lodge No 50

Your committee to whom was referred the solemn duty of framing a set of resolutions of the death of our late sister Catherine Holley would respectfully submit the following:

Whereas—The great supreme ruler of the universe has in his infinite wisdom removed from among us, our worthy and esteemed sister, Catherine Holley, and whereas, the long and intimate relation held with her in the faithful discharge of her duties in this society makes it eminently fitting that we record our appreciation of her, therefore be it

Resolved, that the sudden removal of our sister from among us leaves a vacancy and a shadow that will be deeply felt by all the members and friends of the organization.

Resolved, that with deep sympathy with the bereaved relatives of the deceased, express our hopes, that ever so great a loss to us all, may be over ruled for good by him who doeth all things well:

Resolved, that as a just tribute to our departed sister that we drape our charter in mourning for a period of thirty days, further more be it.

Resolved, that a copy of these resolutions be spread upon the records of this organization, a copy printed in the local paper and a copy forwarded to the bereaved family.

Essay on Boys

A little girl wrote the following essay on boys: "Boys are men that have not got as big as their papas, and girls are women that will be ladies by and by. And when God looked at Adam he said to himself, 'Well, I think I can do better if I try again,' and he made Eve. Boys are a trouble. They wear out everything but soap. If I had my way the world would be girls and the rest dolls. My papa is so nice that I think he must have been a little girl when he was a little boy. Man was made, and on the seventh day he rested. Woman was then made, and she has never rested since."
