### Open Letter

To the Voters of La Grande:—  
In view of the fact that the canvas in the campaign for the city offices has been of such short duration, I take this method of informing those whom I have been unable to meet and talk to personally, that I am a candidate for the office of Marshal of the city of La Grande. On account of the short time between the announcement of the candidates and the time of election, which is next Monday, March 13th, and on account of the fact that I have, of a necessity, been compelled to spend a great deal of my time at my place of business, I have been unable to see all of the voters of the city, as I should like to have done. My home, my family and my interests are all here in this city, and it follows necessarily, that what is good for the city is good for me and mine, and that I will take an interest in preserving order as the duties of the office of marshal require. Several years ago I served as marshal of this city for five years, and I now earnestly solicit the support of those who have stood by me in the past, as well as the votes of every citizen in La Grande, asking them to investigate my past conduct as an officer, and promising all who may see fit to vote for me that, if elected, I will see that the laws and the ordinances of this city will be enforced as far as it is within the powers of the city marshal to enforce them, and that I will make the people the best city marshal they have ever had.

### Alleges Assault

Thursday three young men were arrested by the night policeman on a charge of assaulting a chinaman. The facts in the case have not been made public, but the young men were kept in custody for an hour or two and then released on promise to be present to answer the charges Friday. The chinaman has sworn out a warrant for one of the parties and the hearing will begin before Judge Hough at 3:30 Friday afternoon, and until the hearing occurs no further particulars can be gained. It is rumored that one of the parties alleged to have been in the affray has not yet been apprehended.

### Music

R. P. Tait, the pioneer music teacher of Grande Ronde Valley, is still in the ring. During my vacation I made it my business as well as pleasure to attend concerts, operas, and in fact everything in my line of business and I found that I as a teacher, and interpreter of music am still in the front rank. Pupils who do not wish the full conservatory course may take the popular piano course. This places the pupil in position to play the popular music of the day, Church and Sunday School music.

The Violin popular course places the pupil in position to play all kinds of dance music as well as light overtures. Quite a number of musicians who have been under my instruction are now making good money as teachers and soloists. Pupils who are under my care will be thoroughly instructed in music.

### Last Notice

Months ago I notified the public that all those who had relatives buried in the cemetery, which is a part of my lands were expected to remove the remains without delay. Being aware that this is essentially painful to all concerned, I have been patient but am now compelled to make a final appeal to those interested. The work of clearing the ground has already begun and the lateness of the season necessitates its early completion.
