LOCAL ITEMS

Mr George Hartness of the county is in the city today on business.

The Ladies Aid Society of the Presbyterian Church will meet tomorrow afternoon at 2:30 at the home of Mrs. Henry Henson.

Mr Wm Smith returned this forenoon from Twin Falls, Idaho, at which place he intends to make some investments in lands. He left this forenoon for a short visit before returning.

George Crabtree, manager of Stewart's Uncle Tom Cabin show which will appear at Stewart's Opera House March 30 was in the city today making arrangements for his attraction. It will be remembered that this company was here last year and this year the management promises even a better performance than that furnished last season.

D Fitzgerald, proprietor of the La Grande Iron Works, has ordered the largest iron planer ever brought to eastern Oregon, and expects to receive it in a few days. This new machine will be able to handle a piece of iron three feet square and ten feet in length. Mr Fitzgerald states that he is receiving orders from all parts of the valley each day and feels greatly encouraged regarding his business prospects in this city. Saturday three mill jobs were received from Elgin.

Methodist Special Meetings

By those present last evening was conceded to be one of the best, if not the very best of all the series of meetings to date. It was little short of a surprise to see the house filled on a Monday evening, but it was full. Glowing reports were given by those who had attended the cottage prayer meetings in the afternoon. Meeting tonight at 7:30.

Opposite Conditions May Have Like Causes

Just as Osteopathy relieves constipation so will it also cure diarrhoea, conditions diametrically opposite, yet both departures from the normal, one of deficient action, the other, overaction; and this illustrates the principle that all disease is a departure from the normal and that Osteopathy has to do merely with restoring the normal. Drugs add more abnormality to the system by putting the body on a basis of artificial activity, so, by what process of reason can it be hoped that they will cure disease?

NOTICE TO THE PUBLIC

The Seattle Grocery Company will open their new store next door to Bohnenkamp's on Adams Avenue, Wednesday morning, March 15. Mrs. Orville Bertrand will serve hot coffee to all who will call, and demonstrate the famous Crescent Baking Powder and Mapleine, which makes the finest maple syrup on earth, at home. All are cordially invited to see the new store and an up-to-date line of groceries.

About The Show

The reputation of the famous Mahara's Colored Minstrel's was well known in La Grande, and they were met at Stewart's opera house last evening by an immense crowd of people expecting to be highly entertained, and they were not disappointed in any manner. The minstrel was good in every respect, and the "fanny men" kept the house in roars of laughter with their jokes and amusing antics. The specialties, too, were good, but above everything else should be mentioned the music and singing. This feature of the minstrel compares favorably with some of the best operatic companies in the country.

Corvallis Notes

O A C got second place in the State Oratorical Contest at Newberg last Saturday. John Withycombe, nephew of Dr. Withycombe, represented O A C. Had some rain the last few days. A P Davis and family, who have been spending the winter here expect to return home in a few days.

A source of trouble—in home cooked meals is their lack of variety. You have no choice of viands. Your appetite is jaded one day. When you sit down to dinner at home the menu contains everything you do not want. It is different here.—Providing for so many, we can offer the greatest variety.—If you do not care for one item on the bill of fare choose another. They are all good, but the choice is yours. Try it for a while, and bring that tired wife of yours with you.
