La Grande has reached that point where the old style plank walks are no longer sufficient for the business district. Western mining camps have been famous for their rattletrap improvements, but these same camps when they pass the experimental stage supplant the board shacks with brick and stone buildings and the plank sidewalks are made to give place to cement blocks. La Grande has erected the brick blocks but is short as regards the cement pavements.

Never forget to put in a good word for your town. It costs but little and you always feel better after it is done. It is not necessary to stretch the truth when telling about the good things of this county. If you are not satisfied with conditions here and think that the whole country is past redemption, and you think you know of a better land, the best thing you can do is to leave for that better place, but while you remain here and draw your support from the town, don't expose your nerve by knocking the very place that furnishes you a living.

The Walla Walla Union is already announcing the fact that Walla Walla will celebrate the Fourth of July. This is a little early, but none too early. By commencing in time the celebration is assured of success. Of course La Grande is going to celebrate this year and it is time our citizens were beginning to think a little about it.

### Irrigate Your Lands

We have a number of shares of the Capital Stock of the La Grande Irrigation Company which we will sell. Parties desiring to purchase, should see us at once as work of placing the ditch in shape for the summer's irrigation will be commenced soon.

### A Touching Story

In the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months our little girl was in declining health with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs, and Colds. The first bottle gave relief, after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Newlin Drug Store 50c and \$1.00 guaranteed. Trial bottle free.

### A SANE FOURTH

Fourth of July is coming and already various communities are preparing for its observance. In Chicago's cry is sent up for a sane Fourth. Last year it had a partially sane one because the ordinances against the sale of toy pistols and dangerous explosives were pretty rigidly enforced. Last year Toledo had the sanest of sane Fourth's. She prohibited the sale of explosives and enforced the order with the result that there were fewer funerals and surgical cases after the day than ever before. Both of those cities are preparing for saner Fourth's this year. Walla Walla cannot afford to be behind Chicago and Toledo. There are ways of celebrating Independence Day without resort to funerals, surgeons and trained nurses.—Walla Walla Union.
