By Scripps News Association  
Be: In March 18—The Russian officials here are in a state of consternation over a Para dispatch which alleges that Japan has entered into arrangements with an American syndicate, by which in return for a war loan, the Japanese agree to force Russia to cede to the Americans the extensive sealing rights in Siberia and the Behring sea at the close of the war.

## Methodist Special Meetings

Another packed house in awesome silence attended the address of Rev. Mr. Gillilan last evening at the Methodist Church. By the wish of the people without a dissenting vote it was directed that the meetings continue into next week, being the sixth in consecutiveness.  
Tomorrow, (Sunday) morning and evening pastor Gillilan will preach. His subjects for treatment are, "Who built the Pyramids?" and "Decision." A men's meeting will be held at 3 o'clock in the church. Mrs. Leghton and Miss Edna Breckenbridge will organize the Junior League in the afternoon at an hour to be announced at the morning service.

## Coming

Steton's "Uncle Tom's Cabin" is the title of a really big company, which, under the personal management of Mr. Leon Washburn, whose name has been long and favorably associated

with up-to-date amusements, is to appear at Stewart's Opera House on Monday March 20th. The company comprises fifty people, including a dozen specialty artists, two quartettes, a superb orchestra, and many colored comedians who add to the big production not a little by their spontaneous wit and clever singing and dancing. Watch for the big parade.

## Serious Runaway.

Last evening Mrs. Charles E. Smith with her little five year old son and three year old daughter, were returning from May Park where Mrs. Smith had been visiting her parents Mr. and Mrs. P. H. Dickenson, while crossing the railroad track on the Elgin branch near Mrs. Lyle's fruit farm, east of the city, one of the shafts became detached striking the heels of the horse who became frightened. Mrs. Smith after losing control of the animal jumped with the two children which resulted in the baby receiving a badly strained arm and a severe shaking up generally. Mrs. Smith fractured her right leg below the knee, otherwise was not seriously injured. The little boy seemed to strike on his head and he was unconscious for over twelve hours. The Elgin train was coming into the city just behind Mrs. Smith, stopped and the train men and passengers assisted in conveying them to the train and brought them on in.

They were taken immediately to the offices of Drs Bacon & Hall where they were treated and from thence taken to the home of Mr. and Mrs. T. S. Smith on First St. Reports received late this afternoon are to the effect that the children are in a serious condition with the chances greatly in favor of recovery.

## Herald Changes Hands
