The coal dealers are wearing that smile that won't come off for the first time for so these many weeks.

When the La Grande basketball team visited Baker City a few weeks ago they were greeted with a large attendance. Let us return the honor tomorrow.

We are certainly a forgetting people. About three more days like the past two and we will affirm that this has been the hardest winter since the winter of 1863-4.

Payrolls not only build cities but the adjacent country as well. La Grande now enjoys the largest payrolls of any city in Eastern Oregon and we might have more if we organized a campaign for this purpose.

You possibly intend to assist in the proposed prison library but unless you get your book to the proper parties, the library may not grow as rapidly as it would if every reader of these lines would select the book they intend to give and take it to the sheriff's office.

A business man who owns his own property stated that he was of the opinion that if a concerted action was taken by the property owners on Adams avenue, it would result, in both sides of the street from Chesnut to Fir street being provided with cement sidewalks.

It is asserted that there are at the present time one hundred persons arriving daily in Portland from the East, by parties who are taking advantage of the colinist rates. This does not include the emigration that is being absorbed by other sections of the state. The tide has set in and the localities that offer the best opportunities to make a living will receive the benefit of this emigration. Grande Ronde valley certainly should not suffer by such a comparison but the pity is, so few have heard of this county and our resources

In the passing away of Samuel Truesdall who was buried in Union, Union county lost a man who was one of the history makers at a time when the foundations for the happiness of future generations was made possible.

Business men and property owners join the Commercial Club and see that it fulfills the duties that are expected of such an organization. Think of it, prior to the campaign inaugurated a few days ago there were over eighty business men of this city who were not members. No wonder the club did not come up to its possibilities. It is a credit to the board of directors that they were able to maintain the institution to the high standard they have.

It has been thoroughly demonstrated that wooden water pipe is equal in every respect to iron pipe and is much cheaper. It is also a well known fact that our tamarack is just as lasting for such purposes as any wood used on this coast for such purposes. The point we desire to raise is, why would not such a factory pay in this city.

During the past year several thousand dollars have been sent to Tacoma for this kind of pipe which certainly could be manufactured here as well as there and there would be a great saving in freight, in other words a factory here would have the advantage of the freight rate.

Croup

Begins with the symptoms of a common cold; there is chilliness, sneezing sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough, apply frequently Ballard's Snow Linctus to the throat.
Mrs. A. Vliet, New Castle, Colo. writes: March 19th, 1901: "I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant." 25c, 50c and \$1. Newlin Drug Co

Gives Health Vigor and Tone

Herbine is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health vigor and tone predominate. New life and happy activity result.
Mrs. Belle H. Shirel, Middleborough, Ill. "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. I have wished that I had known of it in my husband's lifetime." 25c, 50c Sold by Newlin Drug Co

The Nurse and the Doctor

Will tell you that the success of a prescription depends on the purity of its ingredients. There is as much variety in medicine as in other merchandise. In our prescription-filling "Quality" is always our first consideration.

You can implicitly trust your prescription to us—quality, accuracy and the right price—are the never failing trio upon which we think we have a right to appeal for your patronage.
