FULTON DEFENDS ACTION

Senator Fulton, whose name has been brought into connection with the land fraus, says regarding the letters written by him to the United States land commissioner:

"Yes, I have read the letters published in The Oregonian and accredited to me, and I doubt not they are correct copies of letters I wrote, but I do not see that they call for any explanation. I have written very many letters for citizens of Oregon

There are also thads in the treasury warrants issued against water Fund of La Grande City, up to and including No 5168 endorsed Sept. 10, 1904. Interest on all warrants on water Fund to No. 5168 inclusive, ceases from date of this call. La Grande, Oregon, April 7, 1905.

E J WALSH, City Treasurer. concerning matters pending before the Commissioner of the General Land Office, Commissioner of Pensions and other departments. It may be that I have been imposed upon at times. I make no reference, of course, to any pending case, but I can easily see that it is possible I have at times written letters in support of claims which, if all the facts concerning them had been known to me at the time, I could not have endorsed.

"Blue what shall I do? Shall refuse to assist any person? I cannot make distinctions. must treat all alike; I must represent none or represent all. Of course, if I should have good reason to suppose that a party was presenting a fraudulent elaim, it would be my duty to refuse to assist him. But how can I know? I must rely on his word. I cannot go into an investigation of every man's claim That is the duty of the several departments. Hence it seems to me that I must act for all or decline to act for any, and to do

the latter is out of the question. "The fect is that the greater portion of a Congressman's time is taken up with matters pending before the departments. To be relieved of that work would be a great relief to the member, but how would it please his constituents? I have neither explanation nor apology to offer for what I have done."

When the cement side walks are all in on Adams avenue and Depot street, the appearance of La Grande will be greatly enhanced. La Grande is improving and fast taking on the airs of a city. It is gratifying to note that the property owners are complying with the sidewalk ordinance, so it speaks volums for their loyalty to the

Organization is absolutely necessary in public matters, as was illustrated at Tuesday night's meeting of the business men of the Com nercial club. We have all been talking about making an exhibit for the Lewis and Clerk fair but the first move was made last night.

We all have realized the necessity of getting in touch in some manner with the train loads of home seekers who daily pass through our city. This

a Grande Evening Observer matter is now in the hands of a committee.

It was some one's business to make the proper petition for the free city mail delivery. This matter is also now in the hands of a committee

There was also a sentiment created that will assist towards having our houses numbered and our sidewalks bettered.

All this as the result of one meeting. At the next meeting other matters of a public nature will doubtless be acted upon. La Grande can accomplish much this year, and the way to accomplish it is through the Commercial Club. If you are not a member you are certainly missing an opportunity to assist in the upbuilding of this community.

Treasurer's Call for City Warrants Notice is hereby given that there are now funds on hand to pay all outstanding warrants issued on General Fund of La Graude City, up to and including, No. 4872 endorsed April 14, 1992.

Interest on all warrants on General Fund from No. 4187 to No. 4372 in-clusive, ceases from this date. There are also funds in the treasury
