Music

R P Tait, the pioneer music teacher of Grande Ronde Valley, is still in the ring. During my vacation I made it my business as well as pleasure to attend concerts, operas, and in fact everything in my line of business and I found that I as a teacher, and interpreter of music am still in the front rank. Pupils who do not wish the full conservatory course may take the popular piano course. This places the pupil in position to play the popular music of the day, Church and Sunday School music.

The Violin popular course places the pupil in position to play all kinds of dance music as well as light overtures. Quite a number of musicians who have been under my instruction are now making good money as teachers and soloists. Pupils who are under my care will be thoroughly instructed in music
